SOUGHT AFTER SPEAKING TOPICS

01

PREDATOR NOT PREY: Prey hunts to live. Predators live to hunt. We prepare each day to run the fastest, last the longest and endure in a way that only a predator understands. Stay in the HUNT.

03

WE ALL WE GOT: We are who we have been waiting for. It's a "we" thing not a "me" thing..

02

BE UNCOMMON OR BE FORGOTTEN: It's all in the name. Life is like the game Tetris, once you blend in you disappear. Embracing and loving your weirdness.

04

AMERICAN DREAM: Ordinary people living extraordinary lives. Life is a negotiation.

As a listener to any of his speeches, one will encounter a bold, challenging and stimulating conversation with an opportunity to channel his spirit, a chance to take it, and given Troupe's history, *take it all the way*. On the field, Troupe's determination made him a national name; off the field.
